

## Product Specification

Product information			
Product name	Algia™ DHA Powder 30%	Shelf Life	2 years
Country of origin	USA		

Test items	Specification
<b>Characteristics</b>	
Appearance	Beige to light beige fine powder
DHA(C <sub>22</sub> H <sub>21</sub> O <sub>2</sub> )	≥ 30%
<b>Physical and chemical properties</b>	
Moisture	≤ 8.0%
Bulk Density	0.35-0.70 g/cc
Solubility	Slightly soluble
pH	8-10
<b>Heavy Metals</b>	
Lead (Pb)	≤ 1.0ppm
Cadmium (Cd)	≤ 0.5ppm
Mercury (Hg)	≤ 0.1 ppm
Arsenic (As)	≤ 1.0 ppm
<b>Microbiological properties</b>	
Total plate count	≤ 1,000 CFU/g
Total yeast and mold	≤ 100 CFU/g
Coliforms	≤ 10 CFU/g
E.coli	Negative
Staphylococcus aureus	Negative
Salmonella	Negative

**Storage:** Store in sealed box in room temperature (< 20-24 °C/68-74°F) protected from light/oxidation. Always keep the product tightly sealed and use immediately after opening
